LITTLE MOMENTS

BIG MEMORIES

Add one of our lovely guest books to your Photo Booth Rental & convert the little moments into BIG MEMORIES!
If you don't find anything you like here please visit www.photoalbumsonline.co.za for more

When you choose the "Photo Strip" option, your guests will get the opportunity to stick the one strip into the book & write you a little message to cherish for ever!

Best of all they get to keep the other strip as a "Thank you gift"!
